2002 KENTUCKY MAGNETIC RESONANCE IMAGING SERVICES REPORT

INTRODUCTION

The Health Policy Development Branch of the Division of Epidemiology and Health Planning announces the release of the 2002 Kentucky Magnetic Resonance Imaging Services Report. This data collection and reporting is required by 902 KAR 20:008.

This report covers the period January 1, 2002 through December 31, 2002. It includes MRI procedure utilization for all licensed MRI units operating in Kentucky that are compliant with the Kentucky licensing and regulation reporting requirements.

The 2002 report also includes a Five Year Look Back section. This includes the total MRI utilization for each year from 1998 through 2002. The total MRI utilization data is shown in this Five Year Look Back by Area Development District (ADD) total utilization.

The 2002 Kentucky Magnetic Resonance Imaging Report looks different this year due to data and format changes. The break down by procedure type for the MRI is no longer being collected.

Questions or comments should be directed Beth Sanderson at (502) 564-9592 ext. 3954 or e-mail: beth.sanderson@mail.state.ky.us

This report becomes the most recent official data on Magnetic Resonance Imaging services utilization published by the Cabinet for Health Services. For additional copies of this report, see the following web site http://publichealth.state.ky.us/data-warehouse.htm or please submit a request in writing along with a check in the amount of \$5 made payable to the Kentucky State Treasurer to:
